Introduction

Assalamu alykum warahmatullahi wabarakatuh.

We pray to Allah to grant us the best of health and iman, Ameen.

We welcome our readers to this month's newsletter.

DEC is a family friendly masjid as well as a hub primarily for Muslims and a medium for not-yet-Muslims to find more about Islam.

DEC produces a monthly newsletter to inform the community on the various projects and services at DEC with the addition of news and announcements. Various resources are also included which will In-Sha-Allah expand in every issue.

DEC ensures being up to date on an online platform. This includes the organisation's website (link at the end of this newsletter) as well as social media (YouTube, Facebook, Twitter and Instagram). The website has long been launched, but it is soon to launch its weekly blog.

This month's issue has come amidst the Autumn weather. Despite the cold and the rain, DEC is working hard in carrying out many projects. Many of them crowdfunded via cash and also via card. Other projects are being completed by individual volunteers.

This month DEC aims to level up the different projects so that by the coming Ramadhan the projects are completed and the planned services are up and running. We request the readers to aid in this financially, physically and by remembering Darussalam in your duas.

News & Updates

Projects

Phase 2 Project

Last month alhamdulillah the boundary wall was worked on. This month the roof beams have begun to be installed and are being worked on.

The plan for the new building is to provide ablution facilities for both brothers and sisters. The building will also provide more room for the masjid as well as space for the funeral project. May Allah reward all the people who have helped DEC- whether financially, physically or otherwise- in this life and the next, Ameen. We encourage continuing this goodness so that the works of the Deen remain ongoing.

Ongoing Technological Improvements

DEC is in constant improvement in salient features including TV monitors for any congregational members upstairs.

Education is one of the core aims at Darussalam. This includes both religious and worldly knowledge and skills. Hence DEC is working on providing ICT facilities which include computers within a server based network.

The TVs are also connected to the server allowing sharing of files and folders, so that education can be given in a visual format, improving learning for adults and children.

“It was my first time giving dawah. I had gone with some volunteers from Darussalam. My task was to call people to an Islamic exhibition. Initially I watched how others interacted with people. Then I managed to get some people at the exhibition where many of the not-yet-Muslims were taught the reality of Islam against the many media biases. One Royal Air Force Personnel even accepted Islam. I will definitely be going again with DEC to give Dawah.”

Anti-Bullying Week

Anti-Bullying Week 2019 took place from the 11th-15th November. Darussalam Madrassah has planned to teach children about bullying, why it happens and ways that we can all try to stop bullying. As Islam places great emphasis on the rights of others, it is imperative that children are taught to respect and honour their fellow students.

Anti-Bullying
Week 2019

Anas ibn Malik (may Allah be pleased with him) reported: The Messenger of Allah, peace and blessings be upon him, said, **“Help your brother, whether he is an oppressor or is oppressed.”** It was said, **“O Messenger of Allah, we help the oppressed, but how do we help an oppressor?”** The Prophet said, **“By seizing his hand.”**

In another narration, the Prophet said, **“By restraining him or preventing him from committing injustice, for that is how you support him.”**

HELPING THE DEC EXPANSION PROJECT

More Space

DEC madrassah has expanded since its humble beginnings with now 10 staff Alhamdulillah. This years the number of students has bloomed, requiring more space for classes. Ma-Sha-Allah some sisters at DEC took the initiative to clear out the middle portion of the attic to provide more space for the students whilst also allowing space for administration. DEC madrassah is as of yet still accepting admissions for students above foundation class.

**Naseelah
(Advice)
Corner**

“And remind, for indeed, the reminder benefits the believers.”

Surah ath Thariyat verse 55

It was reported from Abuhurayrah (may Allah be pleased with him) that the Prophet (peace and blessings of Allah be upon him) said:

“There are **seven** whom Allah will shade with His shade on the day when there will be no shade except His:

1. the just ruler
2. a young man who grows up worshipping his Lord
3. a man whose heart is attached to the mosque
4. two men who love one another for the sake of Allah and meet and part on that basis
5. a man who is called by a woman of rank and beauty and says ‘I fear Allah’
6. a man who gives in charity and conceals it to such an extent that his left hand does not know what his right hand gives
7. and a man who remembers Allah when he is alone, and his eyes fill up.”

Sahih al-Bukhari 620, Sahih Muslim 1712

Good deeds one can do in a minute

- Read Lailahailallah 36 times
- Say astaghfirullah 50 times
- Contemplate the blessings of Allah
- Reflect upon one’s sins and errors
- Make dua for goodness in both worlds
- Make dua for the success and prosperity of DEC
- Recite Surah Ikhlas (Qul Huwallahu Ahad) 6 times
- Read a portion of the Quran
- Read the meaning of a portion of the Quran
- Enjoin something good
- Forbid an evil action
- Read a page or two of a useful book

Ishaaq Ibn Rahawaih (the teacher of Imam Bukhari) said:

“If you were to ask the ignorant people about the ‘Main Body’ they would say, ‘The majority of people.’ They do not know that the jama’ah is the scholar who clings to the narrations from the Prophet (Peace of Allah be upon him) and his way. So whoever is with him (the scholar) and follows him, then he is the jama’ah.”

[Abu Nu’aym in Hilyatul Awliyaah]

Allah - there is no deity except Him, the Ever-Living, the Sustainer of [all] existence. Neither drowsiness overtakes Him nor sleep. To Him belongs whatever is in the heavens and whatever is on the earth. Who is it that can intercede with Him except by His permission? He knows what is [presently] before them and what will be after them, and they encompass not a thing of His knowledge except for what He wills. His Kursi extends over the heavens and the earth, and their preservation tires Him not. And He is the Most High, the Most Great.

Surah al-Imran 255 (Ayatal Kursi)

Ayah Kursi is made up of nine parts, each of which is paired with the one concentrically opposite to it, with the fifth sentence being at the centre of the circle. This is a linguistic miracle of the Quran

Fun Zone

An Extraordinary Incident

Abu Saeed Muhammad bin Yahya lived in Damascus, and he was called the "Carrier of his Shroud", because of an incident Al-Khatib Al-Baghdadi mentioned in Tarikh Baghdad:

It reached me that he "died" (or so they thought, and this phenomena is explained in medical papers, lowering or non-existent heartbeat & breathing etc being mistaken for death of an individual), so he was washed and shrouded, janaza was prayed upon him and he was buried. That night, a grave-robber came to steal his shrouding so he dug up the grave, and when he removed the shroud from him, Muhammad bin Yahya sat up causing the grave-robber to flee in shock and fear! Muhammad bin Yahya got up, picked up his shroud, climbed out of his grave, and headed to his home.

He knocked on the door, and they said, "Who is it?"
He said. "I am such and such (i.e. Muhammad bin Yahya."
They said, "Oh such and such whomsoever you may be, it is not permissible for you to increase us in our sorrow (with this pretence)."

He said, "Open up, by Allah I am him," and so they ended up recognising his voice, and when they saw him they were overjoyed, and Allah had exchanged their grief with joy, and then he narrated to them the incident of the grave-robber and how he managed to get out!

He lived a number of years after that, and eventually died in 299H

Interesting Facts

- Maryam (peace be upon her) is the only woman in the Quran mentioned by name. An entire Surah is named after her. She is mentioned more times in the Quran than in the New Testament
- The Quran is also known as al-Furqan, an-Noor, al-Huda, al-Kitab, Saba Mathani, ath-Thikr, ash-Shifa and ad-Dua
- The Quran is being read every second all around the world
- Hafsa daughter of Umar (may Allah be pleased with them both) was the first female to memorise the Quran
- Near to the day of Judgment (which is very close) the Quran will be lifted in written form and from the memories of the people overnight. So people will become like animals. Let us read and implement the Quran before our time runs out

Things Muslims Invented

- Pinhole camera
- Modern soap
- Three course meals
- Surgery
- Coffee
- Universities
- Algebra
- Hospitals
- Windmills
- Fountain pens

The Prophet (peace & blessings be upon him) is narrated to have said:

“Whoever builds a mosque for Allah, Allah will build for him likewise in Paradise.”

Sahih al-Bukhari 439, Sahih Muslim 533

The Messenger of Allah (peace and blessings of Allah be upon him) is narrated to have said:
“Allah said:

‘Spend, O son of Adam, and I shall spend on you.’”

Sahih al-Bukhari 5073, Sahih Muslim 993

“The likeness of those who spend their wealth in the way of Allah, is as the likeness of a grain (of corn); it grows seven ears, and each ear has a hundred grains. Allah gives manifold increase to whoever He wills. And Allah is All-Sufficient for His creatures’ needs, the All-Knower.

[Surah Baqarah 2:261]

It was narrated that Abuhurayrah (may Allah be pleased with him) said: The Messenger of Allah (peace and blessings of Allah be upon him) said: **“Whoever gives charity equal to a date from good (halal) earnings – for Allah does not accept anything but that which is good – Allah will take it in His right hand and tend it for the one who gave it as any one of you tends his foal, until it becomes like a mountain.”**

Sahih al-Bukhari 1344, Sahih Muslim 1014

Phase One: (Completed) Renovation of the basement provides prayer hall facilities for the sisters. It is also used for regular halaqas, study circles and sisters day to day activities.

Phase Two: (Work in progress) Expansion of the masjid main hall is to provide extra space during Ramadan and Friday prayers. It will also provide facilities for youth education and weekend activities. This project also includes a two storey extension to establish funeral services and body wash facilities for the Muslim community in Blackburn and ablution facilities for brothers and sisters on separate floors.

Phase Three: The aim is to purchase two attached houses for parking facilities and future expansions of Darussalam, building floor-level for parking and first & second floor for prayer facilities. First and second floor is to open up the masjid’s existing floor.
